

Wood Turning Experience

Looking for an experience with a difference? Need an unusual gift? Why not try your hand at wood turning?

A wood turning experience voucher entitles the recipient to a two and a half hour hands-on coaching session with one of our wood turners. The recipient will have the chance to make one spindle-turned piece to take home. The date and time of each session must be arranged in advance by contacting our Senior Woodturner - details are contained on the voucher that is issued.

The cost is an affordable £60 and vouchers can be purchased from the treasurer of Combe Mill Society. You can book on our website at https://www.combemill.co.uk/experience-voucher-wood_turning/.

Or you can post your booking form and payment to the Treasurer at Combe Mill Society.
